

Berlin Sci-fi Filmfest

The first international Sci-fi Film Festival in Germany

SEASON 3
29th & 30th November 2019

Berlin Sci-fi Filmfest is the first ever-dedicated sci-fi film festival in Germany. The first two years have been highly successful and now it is preparing its 3rd edition at the world famous Babylon Cinema in Berlin, on the 29th and 30th November 2019. The support and reviews from filmmakers and visitors has been overwhelming and we have taken on board their thoughts and comments. Our aim is to evolve into one of the major international science fiction film festival on the world circuit. We have been supported by a number of individuals and companies, with sponsorships, donations and partnerships, which has enabled us to create new opportunities and strategies to extend our sci-fi platform. As a result we are offering a full international spectrum of sci-fi films at our event.
